MEMORANDUM FOR : Special Assistant for Technical Analysis

SUBJECT : Review of Technical Data to be retained
by CONVAIR, Project GUSTO

REFERENCE : Memo for DD/P (GUS-0401) dtd 19 April
1960

1. As set forth in paragraph 4.e. of referenced Memorandum, CONVAIR desired to retain all drawings, design and technical data generated under the contract in a "sanitized" form.

2. CONVAIR has advised that they will have "sanitized" all the data they wish to retain by 17 June 1960. They have requested that Project representatives visit their facility to review the data and approve the "sanitization".

3. In view of the foregoing, your recommendations as to who should review the data are requested in order that arrangements can be made by this office for such review at an early date.
